

Where the World meets Africa

SAFETY, HEALTH AND ENVIRONMENTAL POLICY

The Durban ICC specializes in the provision of catered conference and exhibition facilities. We are committed to establish, maintain and continually improve on an Integrated Management System (IMS) which complies with the ISO 14001 and OHSAS 18001 requirements. We are committed to continual improvement in Safety, Health, and Environmental performance.

AFRICA'S LEADING MEETINGS AND CONFERENCE CENTRE - AS VOTED BY THE WORLD TRAVEL AWARDS

- We believe that all injuries and environmental incidents are preventable.
- The safety of our employees, visitors and contractors and the prevention and minimization of any impact on the environment is a non-negotiable value.
- Leaders at all levels in the organisation are role models in the management of safety and environmental matters.
- At-risk behaviors are not acceptable and are addressed when observed.
- Sound safety, health and environmental performance is recognised as good business practices.

Safety, health and environmental management is integrated in the way we do our business and forms a core element of our decision making processes to benefit our stakeholders and the community at large.

To achieve our goals we are committed to:

- Comply with applicable legal and other requirements as a minimum standard.
- Continually improve our performance and management through management reviews and open relations with all stakeholders and interested and affected parties.
- The prevention of injury and ill health.
- The prevention of accidents and incidents.
- The prevention of pollution; the reduction of waste and the efficient use of energy sources.
- Promoting safety, health and environmental awareness.
- Actively attempt to reduce waste and promote re-cycling.
- Educating, training, motivating and supporting our staff, suppliers and clients in the application of this policy and associated procedures.

Our performance in these endeavors will be monitored and measured against our targets and objectives set and endorsed by management.

This policy is freely available to the public on the company website and freely available to all staff on the company intranet and displayed in designated areas around the centre.
