## INVITATION TO ALL SUPPLIERS AND SERVICE PROVIDERS

### RE: DURBAN ICC SUPPLIER DATABASE REGISTRATION

The Durban ICC is one of the most advanced conferencing facilities in the world, having been voted “Africa’s Leading Meetings and Conference Centre” by the World Travel Awards 15 times. The Centre has also obtained certifications in ISO9001 (Quality Management), ISO14001 (Environmental Management), ISO22000 (Food Safety), AIPC Gold Status and Five Star grading accreditation from the South African Tourism Grading Council.

The Durban ICC hereby invites all prospective service providers to list their entities on its supplier database, in accordance with the listing criteria, as prescribed by the Municipal Finance Management Act (MFMA). In addition, the Durban ICC also wishes to extend an invitation to all small, micro and medium enterprises, to submit proposals for eligibility to participate in the Durban ICC’s Supplier Development Programme.

The service provider must be registered on the CSD database and EThekwini Vendor Portal. Proof of registration needs to be submitted. Failure to be registered on these databases will adversely affect the awarding process and may result in the service providers being deemed non-responsive.
