

REQUEST FOR QUOTATION – SAE 04/2021

PUBLIC RELATIONS / COMMUNICATIONS AGENCY SERVICES FOR A PERIOD OF 12 MONTHS

1. Background

The Durban ICC is one of the world's leading events and meetings venues. In order to maintain the extremely high standards demanded by the entity and its stakeholders, all public relations and communications need to be professional written, according to the requirements of our venue.

In terms of the mandate of our shareholder, eThekweni Municipality, the Durban ICC exists as a catalyst to increase economic impact to the City and contribute to the GDP of the country. Hence the need to build and defend the public reputation of the facility to its stakeholder community.

Given that the public relations and communications capacities do not exist within the organization, it is important for the Durban ICC (the client) to appoint a public relations / communications agency (the service provider) to capacitate and support its stakeholder engagement and marketing activities.

2. Purpose

The purpose of this project is to identify and appoint a public relations / communications agency which will provide, as and when required, public relations, communications, and copywriting services for the Durban ICC, for a period of 12 months.

3. Specifications

It is the intention of the Durban ICC to enter into a formal Service Level Agreement (SLA) with the successful Service Provider. This agreement will be for a period of 12 months. The Durban ICC will be entitled to withdraw from the SLA subject to the operational requirements of the Durban ICC with one month's written notice to the service provider at any time within the period of contract.

It is essential that the service provider is fully represented in Durban, with account executive capacity, and can demonstrate its ability to fully service the Durban ICC account from its Durban offices.

The Durban ICC reserves the right to appoint one or more service providers to support the public relations and communications activities or to not make an appointment if the proposals are deemed inadequate or unsuitable in terms of the requirements of the organization from the submissions received.

4. Conditions of contract

The following scope of services is required from the service provider:

- The service provider would write and compile the appropriate communications for the Durban ICC in order to support the stakeholder engagement and marketing activities of the organisation.
- The service provider would be required to write press releases, editorials, speeches, interview responses and media comments on behalf of the organisation and Board on an ad hoc basis.
- The service provider would render copywriting services for the organisation as and when required.

Examples of the communications and public relations duties which the service provider would be required to render may include, but will not be limited to:

- Press releases
 - Editorials
 - Speeches
 - Interview responses
 - Media comments and responses
 - Copywriting for printed collateral and website
- It is envisaged that the Durban ICC will make use of the services of the service provider during the period of the SLA as and when required.
 - The Durban ICC does not provide for appointing a service provider on a regular retainer and submissions should not make provision for this. The service provider will only be entitled to invoice for jobs completed and on a project by project basis.
 - All content belonging to the Durban ICC, including all pre-existing logos and trademarks, shall remain the sole property of the client and the Durban ICC shall be the sole owner of all rights in connection therewith.
 - The Durban ICC will retain all rights and title to any original content, copywriting, and communications commissioned from the service provider, including all rights to display or edit such content in perpetuity.
 - The service provider shall provide the Durban ICC with the original files for all projects in an editable format whenever requested.
 - Once appointed the successful Service Provider will still be required to submit quotations for projects throughout the contract period in order to monitor and manage the value of the business produced for the client.
 - There will be no contractual obligation extending beyond the 12 month period.
 - The hourly rates quoted, as per bid submission, will be fixed for the contract period and will not be subject to any increase during the period of the SLA.

5. Evaluation

The evaluation of the proposals will be based on how well the service provider demonstrates their writing and communications ability and how this is expressed in examples of previous work produced.

The second round of evaluation will involve the assessment of the respective pricing and design time for each element.

The service provider is required to submit a portfolio of examples which must include at least one sample of each of the following projects or a similar project which they have written previously.
