

REQUEST FOR QUOTATION – SAE 03/2022

SPECIALISED SOCIAL MEDIA MANAGEMENT FOR A PERIOD OF 12 MONTHS

1. Background

The Durban ICC is one of the world's leading events and meetings destinations. In order for the Durban ICC brand to reach a wider audience and thus promote brand awareness, the company needs to increase website and brand exposure via on-line social media initiatives.

Given that the specialised skills and capacities required do not exist within the organization, it is necessary for the company to appoint a service provider who will provide these services to achieve the maximum growth in the company's social networks.

2. Purpose of the request for proposal

The Durban ICC requires the services of an experienced and competent social media agency to grow the number clients and potential customers, and increase meaningful engagement with our select audience with a view to securing more business for the Centre.

The Social Media strategy is targeted toward engaging our clients more than our guests, and positioning the Durban ICC as the leading convention, exhibition and entertainment venue in Africa; capable, state-of-the-art and one-of-a-kind, their ideal partner for the success of their event.

The Durban ICC seeks to position itself as the thought-leader in its field and publish truly interesting and helpful content which develops real engagement with the audience of clients and prospects in this space.

Importantly we do not want to disappear from the consciousness of our existing community of followers. The appointed service provider is to ensure that the significant events hosted at the complex are covered on the appropriate channel, with at least the same high-quality of content which our communities have come to expect from the Durban ICC brand.

The appointed service provider will work closely with the Durban ICC Marketing Department to:

- Develop a Social Media Strategy which achieves the objectives outlined above;
- Create and deliver engaging online content in line with the established Corporate Identity (CI) of the Durban ICC;
